We will be happy to send you hard copies of our RS101 (Religious Science 101 Class). We install New Members twice each year: in March and September. New members are required to attend:

- Two (2) 2 1/2 hour Sunday classes (12:30-3:00 PM)
- Friday evening New Member Reception - from 7-9:00 PM - attended by Board, Pracs, Staff, and hosted by the last New Member group. This is a blast!
- Sunday installation during celebration service.

What we run in the bulleting looks like this:
