

Practitioner II Studies

Facilitated by Jane Beach, RScP

Thursdays 7 – 10 PM
September 16, 2004 – May 5, 2005

The second year of Professional Studies focuses on the consciousness, the skills, and the responsibilities of the Professional Practitioner.

Practitioner II students are expected to be devoted to Center for Spiritual Living. Devotion is measured by active, loyal and supporting participation as defined by the Practitioner Code, as well as expectations of the Center. Participation in Practitioner II does not guarantee licensure.

Practitioner II is not for everyone. Only those who demonstrate both devotion to the Center and the Calling to serve the Center will be considered.
