

ASSIGNMENTS for Class 7

Required - Read:

How to Use the Science of Mind, Chapters 8 and 9

Resource material in Workbook

"Spiritual Counseling and the Practitioner"

"Spiritual Counseling by Telephone"

"Spiritual Counseling by Comparative

"Views of Psychotherapist and Practitioner"

Required – to be handed in:

Thought paper on insights you have experienced as you visualize yourself in the role of a licensed Practitioner at San Jose Center for Spiritual Living

Suggested - Spiritual Practices:

Meditate daily on Oneness. How many ways can you recognize the Oneness of all Life? Be sure to include the awareness that the practitioner and the client are One. (The client is as spiritual as the practitioner, regardless of appearances or circumstances.)

Treat daily for the needs and desires of your prayer partner. Work with each other to develop your new skills of spiritual counseling.
