Native American Wedding Ritual

Honoring of the Seven Directions

Sky – Great Spirit

Earth – Grandmother Earth

West – “Call for a blessing from the West,” the place of transformation

North – “Call for a blessing from the North.” The place of stillness and inner reflection

East – “Call for a blessing from the East.” The place of spring and new beginnings.

South – the place of all light – A blessing for all forms of life and the life gentle winds that blow between these couples.

The Center of the great wheel of Life – The Infinite that sits at the center of your being-ness.
