Practitioner Dedication–Rededication Ceremony

Do you dedicate yourself to hold inviolate the confidences and identity of those who come to you for help, unless you receive their explicit permission to do otherwise?

(I do.)

Do you dedicate yourself to the discipline of regular and faithful prayer for greater enlightenment and understanding, that you may expand the expression of your life in loving service to God and humanity?

(I do.)

You have joined together in this act of rededication which has been the outward expression of the inner consecration which you have already made within your own soul. Through this consecration, you place yourself in a special relationship with all humanity: by means of your practice of Spiritual Mind Healing, yours is the privilege and responsibility of applying the Law of Mind through which all are restored to wholeness of mind, body and affairs.

"Know the Truth and the Truth shall make you free." You now know the Truth - reveal it to all who seek, so they, too, may be free; for "Beloved, now are we the sons of God."
