Carry on the work...instruments of peace. Unite in one mind, a single thought for personal and world peace. As within, so without. Come together to impress global consciousness. John Randolph Price began a world-wide movement in the mid-80s, inviting humankind to unite, and we carry that on, He invited us to come together and imagine a world where there is only loving cooperation...a world free of of pollution, free of want, disease. Imagine a world populated with smiling, laughing, happy, joyous people.

So we do that now, coming together to get the *feel* of such a world. A wise sage once said that conditions cannot precede consciousness....

Amy will sing now, and then I invite you to join in the reading of Price's World Healing meditation, to be followed by a meditation and period of silence. (Musician).

## **World Healing Meditation**

by John Randolph Price

In the beginning God created the Heaven and the earth. And God said, "Let there be light," and there was light.

Now is the time for a new Genesis, a new beginning. I am co-creator with God, and it is a new heaven that comes, as the good will of Spirit expressing through me. It is the kingdom of love, peace, and understanding. It begins with me. I am a living soul and the Spirit of God dwells in me, as me. I and the Father are one, and all that the Father has is mine.

This is the truth of all people, for God is all and all is God. I see only the Spirit of God in every soul. And to every man, woman, and child on Earth, I say, "Peace be with you, for you and I are one. You are my Holy Self.

I open my heart and let the pure essence of unconditional love pour out. I see it as a Golden Light radiating from the center of my being, and I feel its divine vibration in and through me, above and below me.

Keeping the high watch, I send forth the Light, and allow this radiance to go before me to touch other rays of Life expressing. I feel this dance of light and peace happening throughout the world at this moment. I see the lights merging as the Light of the world.

The one Light of love, peace, and understanding is moving. It flows across the face of the Earth, touching and illuminating every soul in the shadow of illusion. And where there was darkness, there is now light.

This radiance grows, permeating, saturating every form of life. There is only the vibration of one Perfect Life now. All the kingdoms of the earth respond and the Planet is alive with light and love. There is total Oneness as the sense of separation is dissolved and humankind is returned to God-kind.

Let peace come forth in every mind. Let love flow forth from every heart. Let forgiveness reign in every soul. Let this awareness be the common life we share.

And from the Light of the world, the One Presence and Power of the Universe responds. The activity of God is healing and harmonizing Planet earth. Omnipotence is made manifest. The illusion of separation is no more. The healing has taken place and the world is restored.

This is the beginning of Peace on Earth, good will toward us all, as love flows forth from every heart; forgiveness reigns in every soul, and all hearts and minds are one in perfect understanding. It is done, and it is so. Amen.
