**Practitioner Recognition Ceremony**

As each Practitioner's name is called, have them come up, receive their candle, and light it from the Unity Candle. Tell them that the candle symbolizes the brilliant, eternal light of God that they so beautifully radiate.

I ask all of us, who are a part of this church, to repeat after me----

**We, The \_\_\_\_\_ (church name), (repeat)**

**acknowledge you, our licensed Practitioners (repeat)**

**For dedicating your life to continuously practicing the Presence of God.**

(repeat)

**We acknowledge you for committing yourself to your own personal spiritual growth. (repeat)**

**We acknowledge you for the demonstration of peace and harmony in your life. (repeat)**

**We acknowledge you for the demonstration of abundance and health in your life. (repeat)**

**We acknowledge you for radiating Divine Love. (repeat)**

**We acknowledge you for committing your entire life to being a Practitioner of God. (repeat)**

**To being a Practitioner of Religious Science. (repeat)**

**For being a Practitioner for the Huntington Beach Church of Religious Science. (repeat)**

**And for being a Practitioner for the entire Planet Earth. (repeat)**

**You are awesome and we love you! (repeat)**

**My you be blessed eternally! (repeat)**

**And so it is! Amen and amen! (repeat)**
