Thanksgiving Service  
Rev. Don Welch

Regarding your request for a Thanksgiving Eve Service, I have done one that includes what people will be thankful they received, by the next Thanksgiving.

The order of service:

Invocation

Music

Minister's Thanksgiving Message

Writing of Thanksgiving Treatment Requests (Hand out a card with lines for them to complete the phrase "By Thanksgiving 2004, I give thanks that I have received \_\_\_\_\_".)

Have them hand in the cards.

Spiritual Mind Treatment for those written requests.

Music

Offering

Benediction

Keep the cards safely filed in your possession for a year. Below is a letter to be sent a week before the next Thanksgiving.

*Date*

Dear Being of Light:

A year ago, you attended a Thanksgiving Service at the \_\_\_\_\_ Church where you submitted a prayer request. You indicated what you intended to accept by Thanksgiving this year. I am enclosing your intentions.

Hopefully, your highest and greatest desires have manifested this year. Whatever you have experienced, it has been perfect.

Please join me for a Thanksgiving Eve service at the \_\_\_\_\_ Church this year, on *Date/Time* when you'll have an opportunity to share your demonstrations and "wins" with others and express your thanksgiving. My message will be "The KEY is in the TurKEY" and I'll include keys to accepting greater and greater good in your life.

Come and absorb the atmosphere of joy and gladness to set the tone for the Thanksgiving Holiday.

In Love and Light,

Rev. \_\_\_\_\_
