

Subject: Community Outreach B Books for So. Africa

Please continue the miracle. Spread the teachings of SOM in So. Africa -- donate funds toward at least one book, if not more. Rev. Stephanie Clarke, our SOM minister, is looking to have enough books for her students. Classes offered include Foundational, Spiritual Practices and her Practitioner class depending upon enrollment.

Taffye at Home Office has gotten 40% discount from DeVorss for each book donated. We have shipping arranged with someone from MidTown Church in San Diego. Some of these can be purchased in South Africa
