

Subject: Community Outreach -- Five Gifts for an Abundant Life!

I bring blessings and love from the Maya Culture in the Yucatan where I have been immersed in ceremony and meditation at many of the holy archeological sites being revealed, as our consciousness is ready to remember Ancient/New Thought wisdom.

I am happy to share the work that I have been inspired to create and has become my passion and the foundation of my ministry: 5 GIFTS for an Abundant Life! prosperity course. The 8 week classes are the result of my own personal transformation of consciousness, and of having taught the 4T Prosperity Program for about 30 times in the last 3 1/2 years. You might say that this course is an "advanced" 4T, for I have taken some of the foundational principles of it - such as having participants form Prosperity Prayer Pods to support each other in weekly prayer - while at the same time focusing on spiritual practices to change Consciousness, not conditions.

GIFTS is an acronym for these practices:

GratITUDE

Intentions (Setting and Manifesting)

Forgiveness (of Others and Self)

Tithing

Surrender

Each class is facilitated by an instructor (either yourself, or one of the certified instructors I have trained) and is structured to fully immerse the student in these 5 practices through meditation, sharing, a lesson, an experiential exercise, and support material excerpted from authors who have recorded their wisdom on each subject. This is not a taped class, but relies heavily on the facilitator's personal passion and ability to facilitate group sharing. In the courses that have been taught so far, life-changing results have been reported...not only for the participants but for the sponsoring church. It seems to be particularly compatible with commitment and Adventure in Faith programs, for it teaches the power of the practice of Tithing.

I am available to speak any time on the subject of Tithing, to teach the class myself (if practical logistically), to refer you to one of six certified facilitators who have been trained (they are either Practitioners and or Ministerial Students), who are located on the East Coast (Falls Church, VA and Dayton, OH), Hawaii (Big Island), San Diego, Orange County and Los Angeles, or to train you or one of your minister/practitioner designees.

Currently I have a facilitator's training scheduled at Rev. Joan Steadman's church in Oakland on Friday, April 11 (3-9 PM), and Saturday, April 12 (9-5). In addition, I will be teaching teachers in Colorado, May 30 & 31, at Rev. Jim Chandler's church in Denver.

I am open to traveling anywhere to train you or one of your practitioners/ministers. If there were a group to gather and share expenses, that would be wonderful. I am asking \$200 for the training and \$500 for the licensing. Knowing we are all prosperous, I have no regulations on how or when that is paid, just that it is paid.

The 5 GIFTS course is offered to participants for free. There is a \$40 materials charge for the cost of the workbook that we supply you, and some exercises costs.

Financially, the course is offered on the same basis as the 4T. That is, tithes are collected in class each week in order to support students in learning to tithe. Of those collections, 10% is tithed to the 5 GIFTS for an Abundant Life! organization, a percentage goes to the facilitator (up to 20%) and the rest empowers your church to do its important work.

I realize this is long, and thank you for "listening". I have a brochure that I can send, a website that tells about the course and trainings, www.dianeharmony.com and I can be reached by phone at (760) 494-4696.

I have also written a book by the same title, and am in the process of looking for a publisher and or agent. If you have any thoughts as to who I should contact, I would be most grateful to hear from you.

I love you all and am so grateful to be a member of this spiritual community, where we can and do support each other in being the Love of God.
