

Subject: Community Outreach – Internet Radio

Dearest Friends and Colleagues,

Please click on www.wsradio.ws and check it out for the possibility of Internet radio as a venue for us. A woman I know will be submitting a proposal for us to co-host a show, on the order of "Science of Mind Today" or "Spiritual Solutions to Daily Problems". (These are not real titles, just indications of possible slants.) UCRS ministers and guests could be on the show to address a variety of topics. Please let me know what you think.

Thanks for your time on this.

In love and light,
Kathy
