

Subject: Community Outreach -- Mailing Lists

Submitted by: Sharon Hudson

Shudson007@aol.com

We keep our mailing list up to date by having an account with the post office and a Bulk Mailing Permit for Non-profit. If you print 'ADDRESS SERVICE REQUESTED' below the return address on your mailing, the post office sends you all address changes. The charges for this service are deducted from your account. I've enjoyed reading the responses to Kristin's question. Thought I would add this because I don't think I read it anywhere else.
