

Subject: newthoughtministers List Serve Monthly Greeting

Submitted by: Dr. Susanne Freeborn [Dr.Susanne@attbi.com]

I want to personally invite you to join in the newthoughtministers list. There are over 170 members on this list, mostly ministers, and some practitioners. I know that many of you belong to this list already. Those of you who don't are missing out on the GREAT resources that are shared on the list, and an ongoing opportunity for camaraderie with other New Thought ministers.

To subscribe to this group, send an email to:

newthoughtministers-subscribe@yahoogroups.com

The message below my signature is a reminder from the list founder, Rev. Edward Viljoen, reminding us to invite others. He's right. This is a great time to be in communication with one another and this is a wonderful way to do it.

Love, Susanne

Greetings members of the newthoughtministers Yahoo group. I trust you are enjoying the newthoughtministers Yahoo group. I would be grateful if you would invite other new thought clergy to become part of this dynamic discussion forum.

Once a month I will send you a greeting/reminder like this to invite you to contribute a thought or question to the group about New Thought philosophy and its application to current world events. What makes a group interesting and vital is the people, their hearts and minds. Please consider asking a question or or sharing an idea.

Many thanks for your membership.

Edward Viljoen

Minister, Santa Rosa Church of Religious Science

ps. You have an option to receive every single email, or a daily digest. Let me know if you wish to change any of your setting and do not know how to do so yourself.
