Saint Therese Prayer

Saint Therese is known as the Saint of the Little Ways, meaning she believed in doing the little things in life well and with great love. She is also the patron saint of flower growers and florists. She is represented by roses. May everyone who receives this message be blessed in many wonderful ways.

"May today there be peace within...

May you trust your highest power that you are exactly where you are meant to be...

May you use those gifts that you have received, and pass on the love that has been given to you...

May you be content knowing you are a child of God...

Let this Presence settle into your bones, and allow your soul the freedom to sing, dance, praise, and love. It is there for each and every one of you..."
