Dear Friends,

My web site has been completely redesigned. From the home page <http://www.VirtuesConsulting.com> you can access a wealth of free articles including "7 Ways to Teach Honesty", "Zero Fights at Virtues Project School", "24 Reasons Why Children Misbehave", and "8 Most Common Reasons for Grant Rejection".

Also, you can read 10 issues of The Virtues Gazette at <http://www.VirtuesConsulting.com/archives.html>. This is a free monthly newsletter sent via email. To subscribe send me an email with your full name and write "subscribe" in the subject line.

And finally, I would be grateful if you would let your friends know about the upcoming October workshops--"Awakening The Virtues Within", and "Shaping Character: Creating a Culture of Virtues in Our Schools". Details are online at <http://www.VirtuesConsulting.com/registration.html>.

Best regards,
