

**Subject: Youth & Family Ministries – Game/Mixer Ideas**  
**Submitted By: Marelu Marson**

Here are a few webpages that have some good game, mixer and icebreaker ideas for your teen and pre-teen groups. This usually is a time of the year when new youth join the groups so building relationships is paramount. Getting them out of their chairs interacting with each other in a safe and playful way at least once during the Sunday morning program is essential. Use games as tools for developing your group and generating some fun energy.
