

Subject: Listservs for Children and Youth Volunteers
Submitted by: Rev. Beverly Craig

Dear Friends,

Please remind your children's church directors, teachers, and teen advisors that there are listservs available to them for the purpose of sharing program resources and to provide support for one another.

Individuals are invited to sign up for the listservs by emailing me at iyfm@earthlink.net or calling (213) 388-2181, extension 334.
